Membership Fees

We are a non-profit club and are registered under the Alberta Societies Act. All the money brought in from fees and other fundraising options stay in the club. This money is used to pay rent, utilities, purchase equipment, travel for athletes, etc. The club executive is made up of members. By enrolling your child or yourself in the club, you automatically become associated members of the club.

A family rate exists within the club. Full membership dues are required for 1 family member. As additional family members join, the club rate is reduced by ~50%. The club fee is \$210. Everyone who joins must also become a member of the provincial association. This fee varies depending on age and rank.

Bingos

This club runs ~17 bingos a year and a casino once every 2 years. The bingos help keep the cost down for each member. If there were no bingos, the fees would be much greater than they are.

We do this to make the sport affordable for everyone. The gaming funds are used for: tournament travel, entry fees, rent, etc. You must be a minimum age of 18 to work a bingo. You have the option of not working some or all of the bingos in exchange for \$50/bingo not worked.

We also require each member to supply post-dated cheques for \$50 each for each bingo required. These will be returned to you as the bingos are worked.

The hall that we use is located in the West end of Edmonton (West End Bingo Association). The address is 17304-105Ave. They run from 5:30-10Pm on any given night. The club supplies a \$7 food voucher for the Chinese restaurant in the hall.

What does a volunteer do at a bingo? We sell the cards that the players purchase. The more cards we sell, the more money we make. With the club being family orientated, we try and make the bingos a night out for those working it. WE HAVE FUN.

Uniforms

Judogis can be purchased from the club. The typical price is between \$50-\$80, depending on the size.

Q & A
